Sir,

BUILDINGS - S.Kanara - Collector's Bungalow - Provision of iron bars to the open windows on the eastern side - estimate for Rs.300/-

77484

It has been found necessary to provide iron bars to the open windows on the western side of my official residence at Mangalore (Collector's Bungalow, Mangalore). The Executive Engineer, South Kanara division, (P.W.D.) Mangalore who was referred to in the matter has sent an estimate for Rs.300/- for obtaining the administrative approval of the Government. The estimate provides for providing iron bars to the three windows on the eastern side of the bungalow as a precautionary measure against possible mischief and theft. These windows have not been provided with iron bars and the doors to the windows are fitted only with glass panes. As stated by the Executive Engineer the rooms are very unsafe without this protection. I therefore request that the Government may be pleased to accord sanction for the immediate execution of the work.

2. The estimate received from the Executive Engineer is enclosed herewith for perusal and return.

Yours faithfully,

Collector.
